MTMO Notice to MTMO Licensees

Marlin IPTV-ES/J Specific Compliance Rules

Pursuant to Section 1 of General Section for Audio and Audiovisual Content of Compliance Rules for Client/Service Provider in Exhibit A of Marlin Client Agreement/Service Provider Agreement (Interim Version),

A Licensed Client/Service Provider that implements the applicable Marlin Specification for one or more distribution channels or content delivery methods shall be required to fulfill the requirements of these general Compliance Rules as well as the requirements of applicable specific Compliance Rules MTMO issues as a supplement to these general Compliance Rules and that are based upon the applicable Marlin Specifications for the specific distribution channel or content delivery method(s) the Licensed Product/Service supports.

MTMO hereby designates the “Marlin IPTV-ES/J Specific Compliance Rules” (including any MTMO-approved amendments thereof) adopted by Marlin-DRM Users Forum Japan <<http://www.marlinusers-japan.org>> as specific Compliance Rules supplement to general Compliance Rules applicable to implementation of Marlin IPTV End-point Service Specification in Japan (“IPTV-ES Specification”).
